Regarding the meeting on January 29, 1954, the informant advised that only 12 members attended and that the above mentioned names were read by TELESMANIC with the recommendation that these individuals be selected as officers. No debate ensued and inasmuch as no objections were raised, TELESMANIC stated that these individuals were considered elected and would form the new administration of the club.

NIKOLA TELESMANIC

T-1 advised on March 15, 1954 that NIKOLA TELESMANIC was a member of the Yugoslav Section of the Communist Party, USA as far back as 1947. The informant based this contention on the fact that in November, 1947, he observed TELESMANIC in attendance at meetings of the Yugoslav Section of the Communist Party. These meetings, the informant stated, were open only to members of the Communist Party and their credentials were checked prior to their being admitted to the meeting hall.

The informant further said that following the Tito-Cominform split in July, 1948, TELESMANIC immediately aligned himself with the pro-Tito faction among the Yugoslavs and has been active ever since as one of the foremost spokesmen of the pro-Tito groups in New York City. He was one of the organizers of the subject organization as well as a member of the Founding Committee of shareholders of "Novi List", pro-Tito Croatian language newspaper in New York City. In addition he owns stock in the Yugoslav-American Home where he maintains a position of strict opposition to the controlling pro-Cominform group.

TELESMANIC is a house painter by profession and is employed at the Dakota Apartments, 1 West 72nd Street, New York City. He resides at 2357 33rd Street, Astoria, Long Island, Apartment 4 A and is a naturalized American citizen.

NY 105-2290

Regarding the above mentioned newspaper, "Novi List", it is to be noted that T-1 has repeatedly stated that "Novi List" is the foremost pro-Tito propaganda organ among the Yugoslav element in this country.

It is to be noted that the Yugoslav-American Cooperative Home in New York City has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

ANTHON CUKOVIC

T-1 stated that ANTHON CUKOVIC is a close personal friend of NIKOLA TELESMANIC and a member of the captioned organization from its inception. He has frequently been observed by the informant in attendance at public functions held under the sponsorship of pro-Tito-groups. In addition the informant stated that CUKOVIC owns stock in the Yugoslav-American Cooperative Home.

On December 14, 1939, T-2 advised that ANTHON CUKOVIC, 410 West 53rd Street, New York City, was then a subscriber to the Croatian language newspaper, "Radnicki Glasnik", published in Pittsburgh, Pennsylvania.

It is to be noted that the Massachusetts House Committee on Un-American Activities has cited "Radnicki Glasnik" as "A Croatian daily which the Communist Party admits is under Communist influence." (Massachusetts House Committee on Un-American Activities, Report, 1938, page 280).

Information furnished by T-3, of unknown reliability, on May 19, 1953, reflected ANTHON CUKOVIC, as of 1950, was a subscriber to "Novi List".

STANLEY HRONCICH

A review of the United States Attorney's files in the Eastern District of New York by SA ROBERT C.

NY 105-2290

DAVIS disclosed that STANLEY HRONCICH, 30-76 35th Street, Astoria, Long Island, New York had been prosecuted in the United States District Court, Eastern District of New York on an indictment filed May 28, 1936 charging him with perjury in naturalization, a violation of Section 414, Title 8, United States Code. These files further reflect that HRONCICH was sentenced on July 15, 1936 to be imprisoned for one year and one day, the execution of which sentence was suspended and HRONCICH placed on probation for three years commencing July 15, 1936.

The files of the New York Office of the Immigration and Naturalization Service, 70 Columbus Avenue, New York, New York were checked by SA WADE FULLER and reflected that STANLEY HRONCICH was admitted to citizenship in the Eastern District of New York on July 17, 1945. (Naturalization Petition number 410431)

On July 16, 1945 HRONCICH was interviewed by SA ROBERT C. DAVIS in connection with an application for pardon to restore civil rights. He stated that he was not a Communist or Fascist and <sup>was</sup> not interested in either doctrine and that he firmly believed in democratic principles and the American form of government. He also stated he was a member of the Yugoslav Unity Club and said that the aims of this organization were to promote solidarity and friendship among Yugoslavs and the rest of the Slavs in New York City. HRONCICH advised that there were probably some Communist minded individuals in the Unity Club, but that he had no specific information regarding such persons.

Regarding Club Unity, it is to be noted that T-1 has repeatedly advised that this is a Communist controlled organization.

T-4, of unknown reliability, advised on October 13, 1952 that STANLEY HRONCICH of 3076 35th Street, Astoria, Long Island, a superintendent at this address, <sup>was</sup> strongly favorable to MARSHAL TITO and his Communist government in Yugoslavia. He further stated that HRONCICH went to Yugoslavia in 1949 and that he took many movies on that occasion which he shows to groups in New York City.

NY 105-2290

✓ T-1 advised on September 1, 1953 that STANLEY HRCNCICH owns two shares in "Novi List".

ED

STEVE VIDOVIC

T-1 advised on March 29, 1954 that STEVE VIDOVIC is at present in Yugoslavia on a vacation trip of three months duration. According to the informant, VIDOVIC has, in the past, been one of the most active members of the subject organization and is a close personal friend of NIKOLA TELESMANIC, chairman.

The files of the New York Office disclosed that T-5 advised on May 18, 1949 that STEVE VIDOVIC, as of 1949, was a subscriber to "The Slavic American", organ of the American Slav Congress.

"The Slavic American" was cited as the official organ of the American Slav Congress by the Congressional Committee on Un-American Activities, Report on the American Slav Congress and associated organizations, House report number 1951, April 26, 1950, page 1.

It is further noted that the American Slav Congress was designated by the Attorney General of the United States pursuant to Executive Order 10450.

On June 23, 1949 T-6 advised that STEVE VIDOVIC was in attendance at a banquet given on May 13, 1949 at the Yugoslav American Home in honor of the Yugoslav Delegates to the United Nations.

IVAN BUDINIC

T-1 advised that IVAN BUDINIC who owns and operates a cleaning store in New York City, has a reputation among pro-Tito Yugoslavs of being a strong sympathizer of the present regime in Yugoslavia. However, according to the informant, BUDINIC, although a member of the subject organization, was not active in this or any other Yugoslav organization in 1952 and 1953. The informant stated the fact that BUDINIC has now accepted the position of Vice Secretary and Acting Secretary of the Club of American Yugoslav Friendship during the absence of STEVE VIDOVIC, is to be attributed to his desire to visit

NY 105-2290

Yugoslavia in the near future. The informant stated that BUDINIC feels that a demonstration of his pro-Tito loyalty at this time might be of great value to him once he reaches Yugoslavia and might insure his safety from molestations by the Yugoslav Secret Police. In this connection the informant stated that BUDINIC upon a previous visit to Europe about four years ago only travelled as far as Trieste on the Yugoslavia border while his wife went on to Yugoslavia. He remained in Trieste for a period of two months while his wife visited with relatives in Yugoslavia prior to their return trip to this country. The informant stated the strange fact that BUDINIC did not accompany his wife into Yugoslavia was entirely due to his fear of the Tito Secret Police.

#### TOMA LATIN

T-1 stated that TOMA LATIN is an individual of advanced age who resides in Hoboken, New Jersey and does not seem to be working. He became a member of the Founding Committee of "Novi List" when this paper first organized in 1949 and occasionally writes for "Novi List".

The informant stated that LATIN came to the attention of the Yugoslav colony in New York City when "Novi List" some years ago published a poem by him glorifying Tito and his regime.

The November 9, 1950 issue of "Novi List" page 5 carries an item reflecting that TOMA LATIN had been in attendance at a banquet held at the Ritz Carlton Hotel in New York City on November 4, 1950 in honor of members of the Yugoslav Delegation to the United Nations.

#### GEORGE SPANIA

T-1 on November 22, 1950 advised that GEORGE SPANIA, an American citizen of Yugoslav extraction, prior to the Tito-Cominform split, had been a member of the Yugoslav Section of the Communist Party, USA and in addition had been connected with the following organizations:

NY 105-2290

American Association for Reconstruction in Yugoslavia which organization, according to this informant was completely Communist controlled.

Yugoslav-American Home. According to the informant, SPANIA in 1946 was one of the founders of the Yugoslav-American Home.

"Novi List". The informant stated that SPANIA was the treasurer of "Novi List" in 1952 and 1953.

Club Sibenik. The informant stated that SPANIA was one of the founders and is a past president of the social club Sibenik. This organization is composed of individuals born in or near the city of Sibenik in Dalmatia, Yugoslavia. The informant stated that the Club Sibenik is a completely pro-Tito organization.

In addition, the informant stated that SPANIA maintains close contact with the officials of the Yugoslav Consulate General in New York City and attends all social functions held under the auspices of the Yugoslav government agencies.

The informant further advised that SPANIA owns and operates the Express Trading Corporation, 2718 40th Street, Long Island City, New York, a business firm which specializes in selling and shipping food packages to individuals in Yugoslavia.

T-6 advised on March 19, 1952 that EMIL MALISEV, Yugoslav Consul in New York City, prior to his departure for Yugoslavia on March 4, 1952 had stated that SPANIA controls several hundred Yugoslavs in the Yugoslav-American colony in Astoria, New York and as a result, was considered to be an important contact by the officials of the Yugoslav Consulate General in New York City. The informant went on to say that SPANIA entertained no political sympathies with Tito's government, but continued his interest and cooperation with the Consulate for reasons of personal prestige and personal financial profits.

#### ACTIVITIES

On February 4, 1954, T-7, of unknown reliability, advised that the subject organization was a co-sponsor of

NY 105-2290

^ a concert and social affair held on January 23, 1954 at the Yugoslav American Home in New York City. This affair was attended by the departing Yugoslav Ambassador to the United States, VLADIMIR ~~POPOVIC~~ and numerous personnel of the Yugoslav Consulate General in New York City. Ambassador ~~POPOVIC~~ had been recalled to Belgrade, Yugoslavia and, according to the informant, this was his last public appearance in New York City.

The informant stated that the net proceeds of this affair amounted to approximately \$1,000 and were donated to "Novi List."

In this connection it is to be noted that "Novi List" issue of January 28, 1954 (page 11, columns 1 through 7) carried an article concerning the above mentioned concert and reflecting that ALEXANDER ~~JURICH~~ acted as master of ceremonies and Captain ANTHONY ~~RADOS~~ was N.Y. the principal speaker;

Regarding Captain ANTHONY RADOS, T-1 has repeatedly advised in the past that this individual is a strong Tito sympathizer. The informant also stated that RADOS is a prominent member of the captioned organization.

According to a Statement of Ownership And Management published in "Novi List" on October 7, 1952, page 4, column 6, ALEXANDER JURICH is one of the owners of "Novi List."

T-8, of unknown reliability, who was connected with the administration of "Novi List" in 1951 and 1952, advised on October 27, 1952 that ALEXANDER JURICH directs the editorial policy of "Novi List" and that he associates freely with the Yugoslav officials in this country and is in complete sympathy with the Tito government.

^ The aforementioned article in the January 28, 1954 issue of "Novi List" further reflected that in his speech delivered at the concert at the Yugoslav-American Home on January 23, 1954 ALEXANDER JURICH paid tribute to the departing Yugoslav Ambassador VLADIMIR ~~POPOVIC~~ stating that

NY 105-2290

POPOVIC will be remembered by all Yugoslav-Americans as an outstanding man and true "representative of the new Socialist Yugoslavia."

JURICH further said that POPOVIC during this three and one half years in Washington, D. C. had been extremely successful in cementing cordial relations between this country and Yugoslavia. In conclusion JURICH said that while the Yugoslavs in this country regretted to see POPOVIC go, they realized that the Yugoslav government wants to use his great ability in some other important capacity for the benefit of the Yugoslav people.

Ambassador POPOVIC in his reply stressed the spirit of friendship and cooperation existing between the United States of America and Yugoslavia. He stated that Yugoslav-Americans such as those sponsoring this affair deserve great credit in having established and deepened American-Yugoslav friendship. He urged the audience to preserve and expand the friendly relations existing between the two countries.

On March 9, 1954 T-1 advised that the captioned organization was one of the sponsors of a farewell banquet given on March 6, 1954 at the New Starlight Restaurant in New York City in honor of ~~BUDIMIR LONCAR~~, departing Yugoslav Consul in New York City. This affair was attended by approximately 135 people, among them Consul General ~~DRAGO GOCURUSIC~~, Consul ~~JOVAN RADOMAN~~ and other minor officials of the Yugoslav Consulate General in New York City.

✓  
✓ Among those presenting toasts to the departing Consul LONCAR, was NIKOLA TELESMANIC, chairman of the subject organization and ALEXANDER JURICH, chairman of Novi List, Incorporated. LONCAR in a short speech expressed his thanks and gratitude for all assistance rendered him by the members of the Yugoslav colony during his stay in this country and he assured those present that even after his departure the doors of the Yugoslav Consulate will always be open.

~~CONFIDENTIAL~~

NY 105-2290

T-1 who, although not a member of the subject organization, is personally well acquainted with many of its members and some officers, advised on March 29, 1954 that all efforts on the part of NIKOLA TELESMANIC to rouse and intensify interest in the activities of this organization among the Yugoslav element have completely failed to bear fruit. The informant stated that even the members of the organization continue to display an indifferent attitude towards the club as demonstrated by the fact that membership meetings are usually attended by not more than ten or twelve members and frequently only five or six. Those attending as a rule are older people who intend to go back to Yugoslavia to finish out their lives and, therefore, deem it advisable to demonstrate their loyalty to the present regime in Yugoslavia by supporting pro-Tito organizations such as the Club of Yugoslav-American Friendship.

REMARKS

NY 105-2290

T-1 stated that the membership meetings of the subject organization are poorly attended, and the pro-TITO element of the Yugoslav Colony in New York City continued to maintain an attitude of indifference toward the activities of the subject organization. 5

T-1 stated that at one of the last membership meetings held on March 26, 1954, at the Yugoslav-American Cooperative Home, Incorporated, 405 West 41 Street, New York City, only six members were in attendance. T-1 stated that it is his opinion that the subject organization is being kept active by the pro-TITO element of the Yugoslav Colony, primarily for reasons of prestige, and added that it is his opinion that the activities of the subject organization have no real significance.

T-1 stated that at the March 26, 1954 membership meeting the principal topic discussed was preparations for a picnic to be held under the auspices of the subject organization sometime during the summer of 1954. T-1 stated that it was pointed out at this meeting that the financial profits derived from this picnic would be utilized for the purpose of shipping goods for charity purposes to Yugoslavia.

T-1 stated that TELESMANIC, Chairman of the subject organization, announced at this membership meeting that STEVE VIDOVIC, Secretary, had departed from New York City on a three month visit to Yugoslavia, and that upon his return he would report to the members of the subject organization regarding his impressions and experiences in Yugoslavia. *Club of H. ...*

T-1 advised that TELESMANIC also stated that the proper arrangements have been made for VIDOVIC to be well received in Yugoslavia, and afforded every opportunity to see as much as possible of present-day Yugoslavia.

T-1 advised on May 29, 1954, that a membership meeting was held at the Yugoslav-American Cooperative Home,

Incorporated, on May 28, 1954, and again only six members attended. T-1 stated that at this meeting, it was reported, TELESMANIC, the Chairman, read a letter which he had received from STEVE VIDOVIC, in which VIDOVIC stated that he has been deeply impressed by the friendly reception afforded him by the Yugoslav Government officials upon his arrival in Yugoslavia.

T-2, of known reliability, was interviewed on June 23, 1954, and stated that he could furnish no pertinent information regarding the activities of the subject organization or any of its members.

The informant has repeatedly stated that Club Sibenik is a pro-Tito organization in New York City whose members are natives of the city of Sibenik in Dalmatia, Yugoslavia.

The informant stated that the aforementioned picnic was a complete failure in that only about twenty-five people attended. The poor attendance at this affair was attributed to rainy weather; however, the informant stated that as everybody knows in Yugoslav circles the completely indifferent attitude of the members towards their club was the primary factor.

In addition, the informant pointed out that neither the Yugoslav Consulate nor any other official Yugoslav establishment in New York City was represented at this affair, although BUDOKONCAR, Yugoslav Consul in New York City, did send a wire expressing his best wishes for the success of this affair.

The informant stated that the ostentatious *apparent* lack of moral support on the part of the Yugoslav government officials in this country is being interpreted in Yugoslav circles as a clear indication that the Club of American Yugoslav Friendship has been written off by Yugoslav government officials as a complete failure.

Informant stated the only reason for the continued existence of the organization, at least on paper, is the fact that a formal dissolution at this time would be seized upon by the pro-Stalin element among local Yugoslavs as a propaganda weapon against the pro-Tito groups.

T-2, of known reliability, was interviewed on September 7, 1954 and furnished substantially the same information as T-1. He stated that, with the

exception of the unsuccessful picnic on August 15, 1954, the club had been totally inactive during the last three months and that no membership meetings were held.

T-3, of known reliability; advised no information concerning the club or any activities sponsored by or participated in by the club had come to his attention.

On September 2, 1954, T-1 advised concerning a conversation he had with STEVE VIDOVIC, Secretary of the captioned organization, following the latter's return from a recent trip to Yugoslavia.

The informant inquired about general conditions in Yugoslavia today and was told by VIDOVIC that: "Some things are good; others are bad;" VIDOVIC made the further remark: "It is alright to live over there for a while provided you have American dollars."

Informant stated that throughout the conversation VIDOVIC displayed a remarkable lack of enthusiasm for present day Yugoslavia and, in contrast to his attitude prior to his trip to Yugoslavia, completely refrained from praising TITO or his government.

Informant pointed out in this connection that at the time of VIDOVIC's departure for Yugoslavia earlier this year NIKOLA TELESMANIC had announced at a membership meeting of the club on March 26, 1954, that proper arrangements had been made for VIDOVIC to be well received in Yugoslavia, and that upon his return to this country, VIDOVIC would report to his fellow club members regarding his impressions and experiences in Yugoslavia;

Informant stated it is indicative of VIDOVIC's changed attitude that no such reports, either oral or in the form of newspaper articles, have been forthcoming from VIDOVIC;

Reference is made to a memorandum of the Immigration and Naturalization Service dated September 21, 1954, indicating no reply from the Bureau had been received in response to an earlier request for information dated February 17, 1954. The Director's notation on the memorandum of 9-21-54 reads, "What about this? The delay seems to be out of all reason."

It is to be noted that the information requested by the INS memo of 2-17-54 was furnished by the Bureau's memo to INS dated 6-4-54 but apparently has been misfiled by INS. The INS memo of 2-17-54 referred to 35 T-Informants to whom information was attributed in 16 Bureau reports and requested advice as to the identity of as many as possible of these and any other informants who furnished information in this case. This memo of 2-17-54 from INS was received in the Espionage Section on 2-23-54. Following a review of 47 reports received to that date and identification of numerous informants in addition to those mentioned by INS, Bulet of 3-3-54 instructed New York, Washington Field, and Chicago to review their files and provide by 3-31-54 the information necessary for the Bureau's reply to INS. Chicago's reply was dated 3-25-54 and was received in the Espionage Section on 4-1-54. WFO's reply was dated 4-13-54 and was received in the Espionage Section 4-21-54. New York's reply dated 3-24-54 was received in the Espionage Section 3-30-54 and on 3-31-54 a Bureau air-tel requested additional information which was furnished by New York air-tel of 4-5-54. This necessitated a further review of Bufiles on informant [redacted]. By letter to Detroit of 4-29-54, the Bureau requested [redacted] be interviewed to determine if he could be made available to INS. Detroit was instructed to handle this matter without delay. Detroit's reply dated 5-18-54 was received 5-24-54 in the Espionage Section. Following the location of necessary files and review of the pertinent information, a reply to INS was dictated and went out under date of 6-4-54. *Cw*

T-1 stated that only eight persons attended this meeting including NIKOLA TELESMANIC, Chairman, and STEVE VIDOVIC, Secretary. T-1 advised that at this meeting it was unanimously voted to disband subject organization and it was unanimously voted to send the \$150 which remained in the treasury to the Yugoslav Red Cross.

T-1 further advised that the main reason for disbanding subject organization was the lack of interest shown by its members as evidenced by the attendance of only eight persons at the final meeting.

On February 11, 1955, T-2, of known reliability, advised that on February 3, 1955, TOM <sup>N.Y.</sup> LATIN, Treasurer and Accountant of subject organization, had advised T-2 of the following information:

The Club of American Yugoslav Friendship held its regular annual meeting on January 28, 1955, from 8 PM to 10:30 PM in an apartment above Mike's Bar and Grill, 650 10th Avenue, New York City. Despite the fact that STEVE VIDOVIC, Secretary, had mailed special invitation cards to all of the members of subject organization urging their attendance at this meeting, only eight persons attended the meeting which meant that not even all of the members of the administration were present.

T-2 further advised that LATIN had stated that the meeting was opened by NIKOLA TELESMANIC, Chairman. In his brief speech, TELESMANIC stated that in view of the fact that the members of the Club have not been attending meetings, have not been paying their dues, and have not had any interest in the activities of the Club, it was his suggestion that the Club be dissolved.

~~CONFIDENTIAL~~

NY 105-2290

This suggestion was accepted unanimously without any discussion.

TOMA LATIN then submitted a report on the financial activities of subject organization for the year 1954 and advised that \$160 in cash remained in the treasury. TELESMANIC immediately suggested that this amount should be sent to the people of Yugoslavia through the Yugoslav Red Cross in Belgrade, Yugoslavia. This suggestion was accepted unanimously without any discussion.

T-2 further advised that LATIN had stated that at this meeting a decision was made to publish a short history of subject organization in the form of a small brochure and NIKOLA TELESMANIC, TOMA LATIN and STEVE VIDOVIC accepted the responsibility for preparing the brochure.

On March 10, 1955, T-2 advised that STEVE VIDOVIC had stated that a brochure containing a short history of subject organization probably will not be published.

T-2 further advised that VIDOVIC gave no reason as to why this brochure will probably not be published.

On 6/20/55, [redacted] who has furnished reliable information in the past, advised SA JAMES M. ANDERSON that subject organization held a picnic in North Bergen, NJ, on 6/19/55. The affair was well organized. According to informant, it was a success from a financial and propaganda standpoint. Approximately 150 persons attended.

b2  
b7D

During the latter part of May, 1955, the Pro-Titoist leaders from NYC, decided to organize the picnic at the suggestion of the Yugoslav diplomatic representatives in NYC, under the sponsorship of captioned organization.

Informant stated he had been advised by ALEXANDER JURIC, a Pro-Tito figure in NYC, that captioned organization intends to renew its activities.

He stated that he has been unsuccessful in determining what interest Yugoslav diplomats have in seeing the Club's activities restored.

The above facts are for the Bureau's information. The NYO has alerted informants of the possible reactivation of this Club. Should information be received that the organization has reactivated, the Bureau will be appropriately advised, and the case will be reopened to determine if the Club is engaged in any activity inimical to the best interest of the USA.

Should information furnished by [redacted] be disseminated, it should be appropriately paraphrased to further protect informant's identity.
